FADE IN:

EXT. FUN-DER WATER! WATER PARK - DAY

An IMPOSSIBLY HIGH diving board looking down onto a huge swimming pool - but from up here, it looks TINY.

PAULA in her swimsuit steps up. She DIVES neatly.

PAULA
Swan dive - beea-u-tiful!

A gout of water from the impact...seconds later... <SPLASH>

STRUTTING along the board comes JUNIOR in his shorts. He ROLLS into a ball and BOMBS off the board.

JUNIOR
Nuke-u-lar Cannon ball!

Spout of water.... <SPLASH!>

Next up is ROCKY, RUNNING along the board he SLIPS.

ROCKY
El grande--AAAGGGGHHHHHHHHHH!

IN THE AIR: His crazy, out-of-control fall. He miraculously pulls into a PERFECT fingertip dive. His shorts RIP off and deploy like a parachute attached to his boxer shorts. SWAYING gently, Rocky descends...

IN THE WATER: Junior and Paula bob about.

PAULA
Kat forgot her suit again?

JUNIOR
Yup. It's bogus - but at least there's somebody always dry enough to scrounge up some snackage.

Rocky slowly slides into the water next to them. <PLIP> He instantly surfaces, looking pleased.

JUNIOR (CONT'D)
Para-shorts - dapper, m'brutha.

The para-shorts land <FLOOP> and COVER Rocky's head.

JUNIOR (CONT'D)
And they're a hat too!

CUT TO:

INT. FUN-DER WATER! VENDING AREA - DAY

KATERINA, in street clothes, flips a coin into a candy vending machine. <CLINK, CLINK, CLINK!> Katerina pushes the button. NOTHING. From inside the machine a <SMUG CHUCKLE>.

CANDY MACHINE
<MECHANICAL SMUG CHUCKLE>

KATERINA
Come on. Don't do this to me.
We're practically brother and
sister! I'm warning you.
(karate stance)
I've got moves.

MARCELLA (V.O.)
Talking to machines again, creepy
alien invader?

Katerina WHIRLS around to face MARCELLA carrying a bag.

KATERINA
Heh-heh. Candy machine? They
should call it a money-taking
machine.

MARCELLA
<BIG FAKE LAUGH> You're so FUNNY! I
love funny people! That's why I've
decided I'm going to forgive you
for everything you've done in the
past so we can be fffffriends!

KATERINA
You... forgive me?

MARCELLA
Yes! So now we can go swimming
together. Like friends do, hmmm?

KATERINA
Swimming? Oh, well, Marcella, I'd
love to! But I--

MARCELLA

--forgot your suit?!

(holds up jaguar print
swimsuit)

Lucky for you, I stopped by your
room and - before she dialled 911 -
Mrs. LeBore let me have your new,
surprisingly unused swim togs -
tags intact!

(eyes tag)

Ooh, what a bargain!

KATERINA

That is so....weird of you. But you
know my human eyes really get
affected by the chlorine so....

MARCELLA

(snaps items out of bag)

I thought you might say that, so I
brought you...goggles. And
earplugs. And a nose-clip and a
bag of Flame-O-Rito Tortilla Chips.
No wait. Those are for Junior.

KATERINA

Well it... looks like you thought
of everything.

MARCELLA

So now there's no reason you can't
go swimming like the rest of us
real humans!

(holds up recorder)

Unless you're really a robot who
would explode if she touched water.
Care to comment?

KATERINA

(grabbing items)

Last one in the pool is a creepy
alien invader!

The candy machine LAUGHS OUT LOUD.

CANDY MACHINE

<MECHANICAL LAUGH>

<MECHANICAL VOICE> You swimming?

This I got to see.

KATERINA

Thank you m'brutha. I think we've
heard enough from you.

Katerina elbows the machine hard and it DISGORGES candy bars filling the screen.

WIPE TO:

INT. FUN-DER WATER! WATER PARK POOLSIDE - MOMENTS LATER

Wearing the costume Marcella brought, Katerina is frozen with fear by the pool next to Marcella who has also changed into her swimsuit. Paula, Rocky and Junior beckon Kat into the water.

MARCELLA
Is there a problem?

KATERINA
No. No no no nooooooooo. There's no problem.

KATBOT'S INTERNAL POV. HEADS UP DISPLAY FLASHING RED <DANGER>. WARNING SIREN AND HARSH COMPUTER VOICE ONLY SHE CAN HEAR.

ROBO-BRAIN (V.O.)
Danger! Water!! Step away from the pool!!! Repeat. STEP AWAY FROM THE POOL!!!!

Marcella's face looms into the screen, her visage and voice almost obscured by the DANGER SIGNALS.

MARCELLA
(fake concern)
Are you sure everything's OK?

KATERINA
Yes. It's....fine. I just....can't go in the water.

Revert to EXTERNAL POV.

MARCELLA
HAH! I thought so. You're a freaky alien robot!! Got you!!!

KATERINA
No. I...forgot my swim cap. If I go in the water it makes my hair frizzy...yeech.

PAULA
Need a cap?
(taking hers off)
Here, take mine.

KATERINA
Oh thanks Paula. Thanks a lot. Now
I can go swimming.

MARCELLA
But she won't! She can't!!

KATERINA
That's right. Because I don't want
to embarrass my friends.

PAULA
Don't sweat it. Hanging with Rocky,
we cope with major embarrassment
every day.

KATERINA
I've got to own up here. The reason
why I don't go swimming is
because...I'm actually a champion
swimmer.

ROCKY
I knew it. Ya think I'm
embarrassing.

KATERINA
So you see it's not really worth me
getting wet for such a small pool
and you wouldn't be able to keep up
with me. I swim so fast it's
actually kind of dangerous for
everyone else.

PRINCESS DAGMAR (V.O.)
The only dangerous thing round here
is your nasty little common
swimsuit.

Katerina SPINS to see PRINCESS DAGMAR in ballgown with PAGE
as footman.

ROCKY
She's a champion swimmer. She can
wear what she wants.

PRINCESS DAGMAR
A champion? Our dumpy little
Katerina? I very much doubt that.

MARCELLA
See? She doesn't believe you
either. Prove it to her. Go on.

PAULA
She doesn't have to prove anything
to anyone. WE believe her.

PRINCESS DAGMAR
Come Page. Let us leave these
squabbling urchins to splash about
in the shallows, we must work on
your comportement.

They swan off together, Page holding the train of the gown.

MARCELLA
So you're just going to let her
insult you like that?

KATERINA
When you've swum in the Olympics,
you learn to rise above that kind
of talk.

JUNIOR
You were in the Olympics? Massive!

ROCKY
Can't you just show us some
strokes?

KATERINA
Yeh I could but I scored a whole
locker full of candy and it's
crying for daddy.

JUNIOR
Say no more my aquatic friend.

ROCKY
Snarfle ON.

Rocky jumps out of the pool then looks behind and notices his
para-shorts are snagged on the ladder from the pool and are
stretched way too far. He knows what's coming.

ROCKY (CONT'D)
Uh-OOOOOOOOOOOOOOOOOOOOOOH!

<PING!> He's hurled back into the water.

EXT. FUN-DER WATER! WATER PARK - MOMENTS LATER

Marcella, still shivering in her costume, has caught up with Princess Dagmar and Page.

MARCELLA

Then she said she would CRUSH you in a swimming race. Crush was the exact word she used!

PRINCESS DAGMAR

The impudence of these peasants! When will they learn to accept the innate superiority of European aristocracy?

MARCELLA

But that's why you have to teach Katerina a lesson! Challenge her to a race. Right now!

PRINCESS DAGMAR

Interesting...but quite impossible. My noble birth forbids me from being in the same pool as the...how can I put this so as to cause the maximum offence.....? - the common people.

MARCELLA

That's OK your unpaid royaltyness, I can promise you that there is no way Katerina will ever agree to race you.

PRINCESS DAGMAR

So you mean I can get all the glory of the challenge without having to mix microbes with the hoi polloi?

MARCELLA

She will never swim.

PRINCESS DAGMAR

Then, as your unwashed masses will have it - game on!

EXT. FUN-DER WATER! WATER PARK - LATER

In a blizzard of candy wrappers, KATERINA hovers while Rocky and Junior are face to face with Marcella.

ROCKY
You go back to the snarky of
Snarkenbounge and you tell HER...

MARCELLA
Tell her what?

ROCKY
(to Junior)
You tell her what to tell HER.

JUNIOR
You tell HER...
(to Katerina)
What do you want me to tell her to
tell HER?

KATERINA
Tell her....

ROCKY
(to Junior)
Tell her, to tell her, to tell HER
that she accepts the stupid
challenge.

MARCELLA
I don't think so honeybun. Katerina
is too toooooo scared.

ROCKY
Ha. She's not scared. You're not
scared are you?

JUNIOR
She's a champion.

MARCELLA
Really? You believe a single thing
this alien lifeform says?

KATERINA
I tell you this for real. I have
never, ever lost a swimming race in
my life.

ROCKY
Game on!

MARCELLA
Tomorrow morning, here 10 0'clock.

ROCKY

Why not now? We're ready.

MARCELLA

I just need a little time to get the news crew down here and some people from The Agency. I think they're going to see something very special...

CUT TO:

ECU ON KATBOT - ARMS CHURNING THE WATER

Her face screws into a look of utter sportsman-like determination; her arms windmill around. Bubbles stream out of her cat-nose as she burns through the water using a PERFECT freestyle stroke.

She TOUCHES the end of the pool. <BEEP> She gasps for BREATH.

KATBOT

<GASP!> I did it! I did it!

PULL BACK TO SEE we are...

INT. KATBOT'S ROOM - DAY

Junior and Rocky hold Katbot horizontally in the air so she can "swim". The "water" and "pool" are both a virtual hypno-facade. She ZAPS it away - the room is now "dry".

ROCKY

Aqualicious, Kat!

JUNIOR

But don't swimming types normally like, train in water?

KATERINA

Top swimmers never touch the stuff.

Paula enters carrying a sharkskin swimsuit.

PAULA

So lets get you into the bath and shrink-to-fit your sharkskin one-piece competitive swimsuit.

KATERINA

Erm - me? Bath? Water?

PAULA

Or we could put you in the washing machine on spin cycle but I figured you'd prefer the tub.

KATERINA

Wouldn't one of you guys like to do it for me?

ROCKY

I've done the spin cycle from the inside. NEVER AGAIN!

KATERINA

I meant in the bath.

JUNIOR

But there's like dude shapes and... you know... robot-cat-alien chick shapes... so....

PAULA

It's got to be you that wears it.

KATERINA

Me. Bath. Water.

WIPE TO:

INT. BATHROOM - DAY

In a baggy sharkskin, Katbot GINGERLY stretches her toe toward the steaming bath. Paula watches as she PULLS it back.

KATBOT

M-m-m-me. Bath. Water.

PAULA

I just want to say, Katerina, you're making me so proud the way you're standing up to Princess Dagmar.

Katbot's INTERNAL SIREN sounds.

KATBOT

(trembling)

But you know... what if... what if there wasn't a race?

PAULA
I don't think Princess Dagmar is
going to back out.

KATBOT
Wow. Um, but what if I did?

PAULA
What?

<VWIP!> Rocky and Junior SNAP their heads round the door.

JUNIOR/ROCKY
Dude???

KATBOT
I can't race her. I'm not a
swimming champion. I hate water.

PAULA
So you can't actually swim?

KATBOT
Oh I can swim great. Just not in
water!

ROCKY
Then how did you get into the
Olympics?

KATBOT
I made it up.

ROCKY
You mean there's no such thing as
the Olympics?

PAULA
She lied to us about her swimming.

JUNIOR
Right in our faces.

KATBOT
I'm sorry guys. I feel terrible. I
don't know what happened. I
just...I didn't want it to be like
this. I'd give anything to take it
all back.

A beat while Rocky shuffles awkwardly from one foot to the
other.

ROCKY

Hey, nobody's perfect. Sometimes people tell lies. Welcome to the human race.

JUNIOR

S'no big deal. Stuff happens. People tell one little lie to cover something up and then it grows and gets ya know. Out of control.

ROCKY

Like when I said to Sammy that mom makes my trousers out of kitten fur and next thing you know she's face down on the sidewalk while Sheriff's slapping handcuffs on her.

KATBOT

You're not mad at me?

PAULA

It's not great but...at least you fessed up.

KATBOT

You guys are Amazing.

JUNIOR

I sure is. But when Daggy Dagmar hears you're backing out...

ROCKY

That's gonna be BAAD. And not in a good way.

JUNIOR

She's going to rag on you til you squeal like a piggy in too tight sneakers.

KATBOT

That's gonna be rank.

PAULA

Or you could face up to it and overcome your fear of water.

KATBOT

You're right. That's what I should do.

PAULA
Let us help you.

KATBOT
No. This is something I've got to
do by myself.
(she steps over to tub)
It's only water.

She grimaces and sticks her toe in the tub - plip!

KATBOT (CONT'D)
<MRRRRREEEOOORRRR!>

Her back ARCHES she LEAPS AWAY. She hangs from the shower
curtain by her claws - she cranes her head back to look at
her friends.

KATBOT
(weakly)
Help me.

WIPE TO:

EXT. FUN-DER WATER! PRACTICE POOL - DAY

Paula and Rocky set up a lounge chair poolside for Katerina,
who wears a swimsuit and looks UNCOMFORTABLE.

PAULA
We've decided to help you overcome
your fear of water the same way we
cured Rocky of his fear of bats.

ROCKY
(hitting the ground)
BATS!? WHERE!? YOU NEVER SAID
THERE'D BE BATS!!!

PAULA
Okay, that didn't work so well but
we sure fixed him and his button
thing.

ROCKY
I ain't afraid of buttons.

PAULA
See? Another satisfied customer.

KATERINA
I don't know. I feel nervous being
this close to water.

PAULA

Relax. Well go right to stage two where you just sit poolside and chill with a book. Wait. Are those my ear-rings?

Paula reaches over to check out Katerina's jewelry. Katerina backs away, TRIPS over the chair and FLIPS INTO THE POOL.

As she touches the surface she goes CATFORM. Limbs jagged like she had an electric shock she JAMS her four paws out and its like she's DANCING on the surface tension as she HOPS and LEAPS out of the pool barely wet.

PANTING and SHIVERING she lies on the side of the pool. Paula looks at her ears.

PAULA (CONT'D)

N-n-n-nope. Panic over. Those aren't my earrings.

WIPE TO:

INT. FUN-DER WATER! PRACTICE POOL - DAY

Junior leads Katerina away from the lounge chair, towel wrapped round her.

JUNIOR

<AHM!> Now... you're scared of water, right?

KATERINA

Y-y-yeah...

JUNIOR

And people are scared of stuff during wartime, riiiiight...?

KATERINA

Um, yeah...?

JUNIOR

And paratroopers learn to do their thing during wartime, too, riiight?

KATERINA

Junior - where are you goin' with this?

JUNIOR

Merely here.
(wraps arms around her)
(MORE)

JUNIOR (CONT'D)
 This is how they do it in the
 paratroopers, Kat. BONZAI!!!!!!

He DIVES into the pool clutching her. She goes CATFORM but
 Junior HOLDS ON TIGHT! They SINK UNDER WATER together.

UNDER WATER: Every bit of her is STRAINING to get FREE...

JUNIOR (CONT'D)
 (under water; bubbles)
 See? Not so gnarly!

KATERINA
 (under water; bubbles)
 MEEEEOOOOOWWRRRR!

Katbot FLIPS sideways and POWERS her way out of Junior's
 grasp and THROUGH the side of the pool which EXPLODES in a
 SHOWER of tiles and water. We can see Katbot forcing a ridge
 of earth and concret up (ala Bugs Bunny) as she burrows to
 freedom.

In a second the pool DRAINS of water leaving Junior
 <SSSPUCK!> at the bottom.

Rocky skates down to him through the debris.

JUNIOR
 Robots are strong and junk.

ROCKY
 Dude - if there's one thing I've
 learned from comics - ya gotta
 fight robots with robots.

WIPE TO:

EXT. FUN-DER WATER! PRACTICE POOL - DAY

Katerina huddles on the lawn as her friends try to comfort
 her.

KATERINA
 I've learned a lot from you guys.
 I mean you taught me how to tie-dye
 a toaster pastry and how to make
 milk-shake come out of my nose on
 purpose. But this is different...
 I can't unlearn what a robotic cat
 was born to know - water equals
 fear.

At the word "fear" we can hear the sound of TINKLING WATER.
 Katerina's head SNAPS around at the sound.

KATERINA (CONT'D)
 What's that? Is it rain? I can't
 stand rain!! Not now!!!

Rocky steps up with a remote control.

ROCKY
 Relax, it's a little robot friend I
 borrowed to help you get used to
 water.

A free-standing sprinkler on wheels ROLLS into view, trailing
 a hose, its spray beginning to ARC round to Katerina.

KATERINA
 A robot that sprays water at me?
 What kind of a FREAK would invent
 that?! Aaaarrrggghhhh.

Katerina runs down the road, the sprinkler in gentle pursuit.

JUNIOR
 Okay. That's that. Dudette should
 quit the race.

ROCKY
 Dudette should run away to hide in
 Ohio.

JUNIOR
 We're in Ohio, wing-nut.

ROCKY
 Least she won't have far to go.

WIPE TO:

INT. PRINCESS DAGMAR'S LAIR (ROOM) - DAY

Princess Dagmar lies atop of a pile of mattresses. Page
 escorts Katerina into the room.

PRINCESS DAGMAR
 Page, I can feel a peanut four
 mattresses down.
 (she wriggles)
 No, correction. I believe it is
 actually a salted peanut. Remove it
 at once.

PAGE
 Someone to see you, your high and
 mightyness.

PRINCESS DAGMAR
(seeing Katerina)
So, you've come to quit.

KATERINA
I don't like to think of it as
quitting.

PRINCESS DAGMAR
We shall let history be the judge.
Page, fetch the video camera and
record her abject humiliation.

KATERINA
I don't like to think of it as
humiliation.

PRINCESS DAGMAR
You might want to get down on your
knees and practice your whimpering.
I'll try not to enjoy it too much.
No. Not working. I'm loving it!

KATERINA
Well... what makes you think I'm
here to back out of the race!

PRINCESS DAGMAR
Lets just say I always knew you'd
never have the guts to swim against
me. Get ready to suck it up,
subject!

KATERINA
Um... you know, actually...

CLOSE ON KATERINA'S FACE: that ain't the face of a quitter!

KATERINA (CONT'D)
I'm actually here to see if you
want to make it more interesting.

PRINCESS DAGMAR
A bet. How charmingly vulgar. Go
on.

KATERINA
Winner gets a weeks vacation in the
Duchy of Snarkenbourg. Loser gets
two weeks.

PRINCESS DAGMAR
 Leave me. And take your crude
 Kataonian wit with you.

KATERINA
 With pleasure, princess.

As Katerina leaves, she takes a handful of the salted peanuts
 and SHOVES them under the pile of mattresses.

Dagmar squeals and WRITHES in discomfort.

PRINCESS DAGMAR
 <WHIMPER OF DISCOMFORT> Oh Page!
 Come quickly, I need you!

WIPE TO:

INT. LEBORE HOME - BACKYARD - DAY

Junior and Rocky sit in lawn chairs kicking a soccer ball
 back and forth. It rolls to a stop between them, but too far
 for either to reach - they stretch out their feet - but can't
 reach it.

ROCKY
 Bummer.

JUNIOR
 Game over.

KATERINA
 Guys!

They turn to look as Katerina rounds the corner of the house,
 looking mighty pleased with herself.

KATERINA (CONT'D)
 I didn't do it! I didn't quit!

The boys stand and raise hands for a three-way high five.

KATERINA/JUNIOR/ROCKY
 Ba-YOO-ka-SHAH!!

JUNIOR
 That reigns, Kat!

ROCKY
 I knew my little robo-sprinkler
 dude would cure your fear of water.

KATERINA
Actually, that made it worse.

JUNIOR
Well, so how come we're in full ba-yoo-ka-shah mode and whatall? I mean, how are you going to swim tomorrow?

KATERINA
I don't know. But I've got twelve hours to think of something! Isn't that great!?

DISSOLVE TO:

EXT. FUN-DER WATER! POOL - DAY

A CROWD has gathered along the poolside - including DELORE, PAULA, ROCKY and JUNIOR, DARCY a NEWS CREW and some GENTLEMEN in dark suits plus other KIDS from school.

MARCELLA (O.S.)
'Scuse us - supposed athlete comin' through! Oh this is going to be rich!

KATERINA is PUSHED through the crowd by Marcella to the starting blocks in her BAGGY SHARKSKIN.

KATERINA
(to herself)
It's okay - it's fine. I've still got like two minutes to think of a way out of this.

MARCELLA
(points to starting block;
like a lion tamer)
UP!

Katerina CLIMBS nervously onto her block next to Princess Dagmar who is outfitted like an Olympic Champion.

PRINCESS DAGMAR
Hello, Katatonian - last chance to bag it. I must tell you I'm feeling quite sleek.

KATERINA
Listen, Princess, couldn't we... call it a draw?

PRINCESS DAGMAR
 I think NOT. The pool has been
 especially sterilised so prepare to
 be destroyed....!

DICK steps up to the pool wearing a REFEREE JERSEY.

DICK
 Alllllrightie, swimmers! The race
 is fifty-yards freestyle - that's
 one length of the pool! The first
 swimmer to touch the other side
 wins!
 (holds up certificate)
 The grand prize includes a free
 initial exam for the pet of your
 choice at the LeBore Pet Clinic.
 ("motto" in sincere radio
 voice)
 "Hey, how's your pet feeling?"
 (back to business)
 Swimmers... on your mark...

Princess Dagmar SNAPS into her racing crouch. Katerina looks
 around, biting her lip.

KATERINA
 Hoo-boy...

DICK
 Get set....!

Dagmar's haunches go up - she's at the ready.

PRINCESS DAGMAR
 Are you sure you're willing to go
 through with this, knave?

KATERINA
 <GULP!> I... g-g-g-guess...

ON DICK as he holds a LIVE DUCK aloft as if it were a
 starting pistol. He SQUEEZES the duck.

DUCK
 <QUACK!!!!>

PRINCESS DAGMAR
 (whirls around, shocked)
 What in the name of--!?

Her foot SLIPS. She STUMBLES, hits the water and goes DOWN.

DICK
 What!? She's never heard a
 Starting Duck before!?

Page RUNS to the side of the pool.

PAGE
 Your Royal Wetness!
 (calling out)
 She can't swim! She's aquatically
 challenged!

Katerina, still on her starting block, looks into the water.

HER POV: UNDER WATER/ROBO-MAGNIFICATION: Princess Dagmar
 SWIRLS down to the bottom of the pool. <SPLOOSH!> Page
 slashes into frame - but HE CAN'T SWIM EITHER. Master and
 creature flail around, DRAGGING each other deeper.

Katerina's HEADS UP DISPLAY flashes red. "DANGER" text
 scrolls across. <SIREN> sounds in her head.

ROBO-BRAIN (V.O.)
 Danger. Step away from the edge.
 Danger. Step away from the water.

CLOSE UP: Princess Dagmar's despairing BUBBLE-SPEWING:

PRINCESS DAGMAR
 (under water w/bubbles)
 HELP... ME...!

BACK ON KATERINA as she clenches her jaw.

KATERINA
 <MRRREOW!> Switching to feline
 override.

The siren stops. She JUMPS into the water! The CROWD reacts.

CROWD
 <GASP!>

UNDER WATER: Katerina POWERS her way to the bottom of the
 pool and scoops up Page and the Princess.

She ROCKETS for the surface.

ON SURFACE - Katerina BURSTS out holding <SPUTTERING> Dagmar
 and Page.

PRINCESS DAGMAR/PAGE
 <SPUTTERING! COFF!>

Katerina swims to the side of the pool carrying both soggy kids in her arms. They reach the side and Dagmar reaches out and GRABS the wall before Katerina's arms are free.

PRINCESS DAGMAR
I WIN! FIRST TO THE OTHER SIDE!
<SMARMY VICTORY CHUCKLE!>

Page is next and TOUCHES second.

PAGE
Two weeks in Snarkenbourg for me!

DICK, DELORE and JUNIOR arrive at the edge of the pool and pull the three drenched kids from the water.

PRINCESS DAGMAR
Yes! Ha-ha! The Douchy of
Snarkenbourg - victorious despite
my inability to swim!

Princess Dagmar dance her victory dance. Drenched Page tries to stand.

PAGE
I saved you, m'lady! <COFF!>

THE CROWD reacts - some CHEERING, some BOOING.

KATERINA (O.S.)
And I...

FIND KATERINA also doing a victory dance, raising the roof.

KATERINA (CONT'D)
I jumped in the water!!!! I JUMPED
IN THE WATER AND DIDN'T DIE!!!!

WIPE TO:

ECU ON KATERINA

As she chats with Professor Meew on her LAPTOP.

KATERINA
Oh yeah I lied. Big time. And I
learned that lies grow and get
complicated and I got caught and I
overcame my fear and I made a new
friend.

PULL BACK TO SEE she is...

INT. FUN-DER WATER! WATER PARK - DAY

...holding the laptop in one hand and the STARTING DUCK in the other as she FALLS through the air from the diving board.

KATERINA

Say hello to Walter, Professor!
The world's only duck equipped with
parashorts!

Katerina deploys the shorts and the duck SHOOTs backwards as the air resistance hits.

KATERINA (CONT'D)

And I do want to talk to you about
the patent for that later. But
most importantly this week, I
learned - to CANNON BALL!

PROFESSOR MEEW

KATBOOOOOOOOOOOOOOOOOOO---

She grabs her knees and hits the water, sending up a huge
SPLASH as we...

FADE OUT.

END OF SHOW
